Supply of PDS Kerosene to Fishing Activity

3009. SHRI JANARDHANA POOJARY: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that Government proposes to stop dispensing PDS kerosene to fishing activity;

(b) if so, the details in this regard;

(c) whether views of the fishing community would be ascertained before implementing the policy; and

(d) if so, the details in this regard?

THE MINISTER OF PETROLEUM AND NATURAL GAS (SHRI MANI SHANKAR AIYAR): (a) to (d) The Government of India allocates Kerosene to the States/Union Territories (UTs) under the Public Distribution System (PDS) for the purpose of cooking and illumination only. There is no separate allocation for the fisheries sector to any State/UT. Further distribution within the State/UT is handled by the concerned State Government/UT Administration.

With a view to assessing the genuine demand requirement of kerosene in different State/UTs, in December 2004 the Government commissioned the first-ever comprehensive study of the subject through the National Council for Applied Economic Research (NCAER), NCAER have submitted their report in October, 2005. In their report, NCAER have noted that PDS kerosene is supplied for fishing in some coastal States and have *inter alia* recommended that the kerosene requirement for fishing may be supplied at non-PDS prices. The recommendations of the NCAER have been brought to the notice of State Governments.

3010. *Cancelled*

Frauds in ITDC
